

دبیرخانه منطقه‌ای کمیته بین‌المللی طب نظامی در ایران
THE SECRETARIAT OF ICMM PAN ASIA PACIFIC
REGIONAL WORKING GROUP IN I.R.IRAN

Dear General/ Sir,

The Baqiyatallah University of Medical Sciences has arranged an **International Workshop on Medical Defence in CBRN incidents** from **25 to 29 November 2019**, as a part of the two-year program of the Iranian Committee of Military Medicine for international participants. This scientific program will be presented within **5 days** in Tehran, the capital city of Iran.

The main topics of the scientific program include:

1. Advances in CBRN victim's management
2. General considerations of medical management of CBRN casualties
3. Physical protection against CBRN agents (individual)
4. Principles of decontamination after CBRN incidents
5. Triage of CBRN casualties /medical evacuation
6. Diagnosis and treatment of CBRN exposure
7. Field practice (I) (Pre-hospital)
8. Field practice (II) (In the hospital emergency)

The workshop will be held in English and on-site translators for communications.

Available seats are limited. The course fee is **800 € per person for ICMM members** and **1000 € per person for non-members** that it is for tuition, welcome ceremony, break refreshing meal and lunch. Accommodation fee is separate and depends on your choice and usually includes breakfast. Accommodations in best quality levels are available near to the workshop venue and we will offer discounted options shortly. You will be surprised by low prices of hotels and travel expenses in Iran. You can enjoy luxury shopping in large brand trade centers.

In addition, as it was discussed and approved at the recent General Assembly during the 43rd World Congress in Switzerland, the ICMM will support young researchers by partially funding their participation and accommodation costs needed for attending ICMM scientific congresses and meetings. In this regard, in order to strengthen and enforce this resolution, the Islamic Republic of Iran intends to offer **young eligible researchers (under the age of 40) a 50% discount** in this international workshop.

It would be our honor to host you and your colleagues in this symposium. We would be most grateful if you could inform your colleagues in the Armed Forces Medical Services of your country and encourage them for participation.

We look forward to your active participation in this international event and to welcoming you in Tehran. We believe our workshop will benefit greatly from your attendance and contributions.
